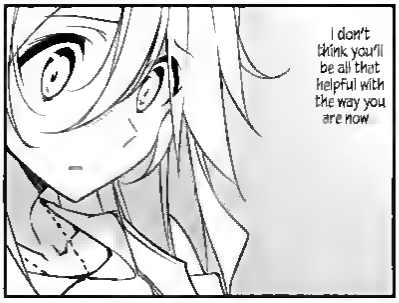
In that case, I can carry them!

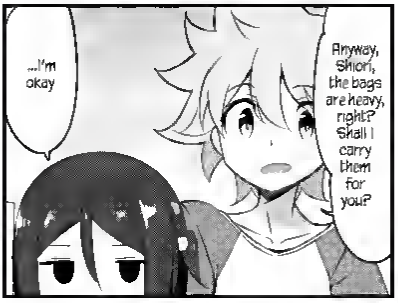
AFTER GETTING [THEIR] SHOPPING DONE...!!
It sure is late, huh!? Since the trial's over now, let's hurry home!
.. It's not over until we get home..

This is very important..
I can't leave it to the Princess yet ..

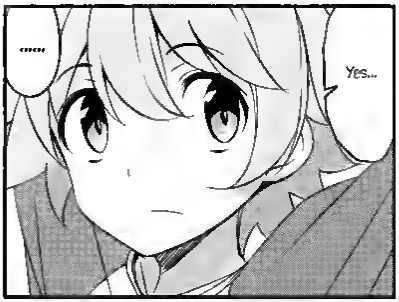
I'm sorry, we wasted needless time because of me...
That's okay, Ange, it was your first time, after all!



I don't think you'll be all that helpful with the way you are now

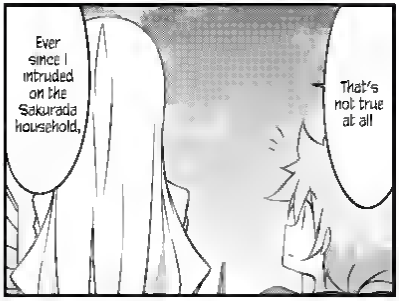


Anyway, Shiori, the bags are heavy, right? Shall I carry them for you?
...I'm okay



Yes...
.....

YOU SURE LIKE CARRYING THINGS AS ALWAYS, SHIORI!
.....



Ever since I intruded on the Sakurada household,
That's not true at all

But I really love her hamburg steak.
...Anything mother makes is delicious,

It was the first time...
I ever had soup that was so good and warm

?
Ange, what food do you like?

...Well,
Is the soup at your home cold, Ange?

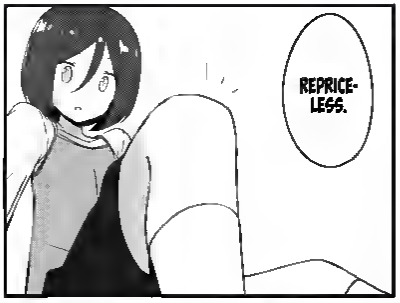
Yeah!
You mean .. Satsuki's cooking?

Hmm
It certainly was cold, and very difficult to drink, I suppose

THAT'S A PRETTY PLAIN CHOICE!
If I had to say her miso soup ..?

Hey Shiori! You don't need to be in that of a hurry
We need to go back...!
RISE
But the tofu that's in the miso soup is especially wonderful!
TA
P
But the tofu shop will cla—
I could get addicted to that flavor less, but flan-like texture!
Shiori!
Ah!
You think so?
Fufu—
It doesn't sound very good if you put it that way
BAM
OH! WE DIDN'T BUY THE TOFU!

Shiori, hold still.
SHIORI! ARE YOU OKAY!?
SHIORI!?
...?
Uuuu...
It's okay
Oh...
PLEASE LEAVE EVERY-THING TO ME.
SPILL



REPRICE-LESS.

SINCE ANCIENT TIMES THE POWER BESTOWED UPON THE SELECTED

This is the power to revert things that were broken or injured back to their original state.

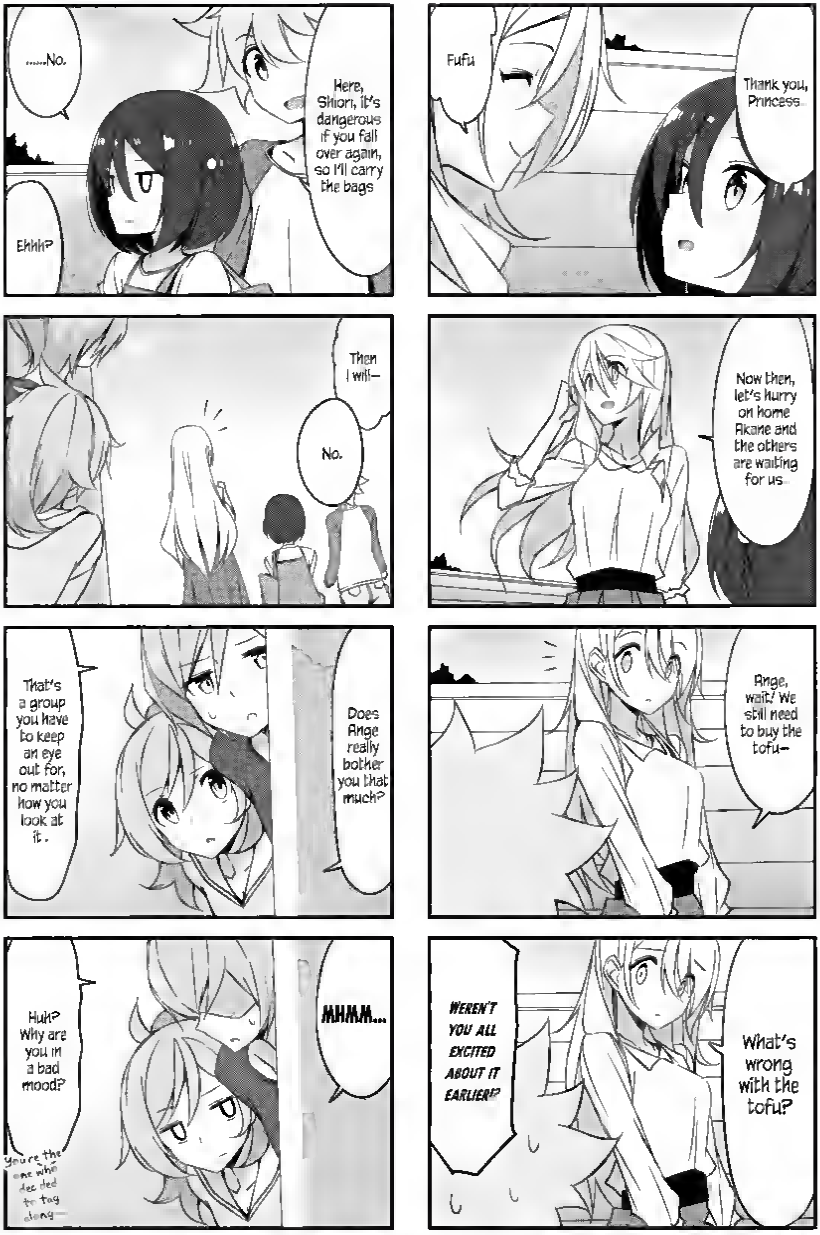
WERE SECRETS PASSED ON FROM THE STARS.

However,
The limitation is that I have to have some grasp of what their original condition and the amount of time that has transpired.

THE CHOSEN WHO MADE MIRACLES A REALITY
WERE FEARED AND REVERED BY THE PEOPLE

AWES-OME!!

AND HENCE-FORTH BECAME KNOWN AS ROYALTY



Here, Shiori, it's dangerous if you fall over again, so I'll carry the bags
.....No.
Ehhh?
Thank you, Princess.
Fufu
Then I will—
No.
Now then, let's hurry on home Akane and the others are waiting for us.
Does Ange really bother you that much?
That's a group you have to keep an eye out for, no matter how you look at it.
Ange, wait! We still need to buy the tofu—
MHMM...
Huh? Why are you in a bad mood?
You're the one who decided to tag along—
WEREN'T YOU ALL EXCITED ABOUT IT EARLIER?
What's wrong with the tofu?
